Code of Conduct

NOIZZU

#### **About this Booklet**

This booklet contains the media election code of conduct. The Solomon Islands Electoral Commission in collaboration with the Media Association of Solomon Islands have revised and updated an existing Code of Conduct/election media policy for all local and international media representatives reporting the 2024 joint election.

This code of conduct/policy is designed to balance the complementary role of the Commission and its officers, with those of the media in a democratic society.

Media plays an important role in educating and informing citizens, a significant role that SIEC acknowledges and ensure cordial partnership continues to exist to achieve shared goals and objectives before, during and after any electoral event within an electoral cycle.
